Carlyle Lake, Illinois

Organizing Authority: Carlyle Sailing Association (CSA)

Eligibility: The Whale of Sail regatta is open to all One design boats racing on a buoy race course, Cabin boats racing on a long distance course, and Juniors with racing on their own course.

Registration: Due to limitations on gathering in the state of Illinois at this time we ask that you register online. We ask that you register prior to September 20th to help prevent large gathering during registration. You can register at the following link. Registration site: <https://www.regattanetwork.com/event/21094> To be fully registered for this event you must also send proof of liability insurance via text or email by taking a picture of your insurance that shows active dates and liability amount along with your name to the regatta chair at: whaleofsail2020@gmail.com or text: 636-578-6427 by 5pm Sept 18th, 2020. (**please** help me get this done as soon as possible since there are a lot more details than usual to running a socially distance regatta). Sailing instructions will be available online, so please print them before arrival.

COVID19 limitations: We find our self in a different time and different times are requiring new and different ways of managing regattas.

We have large pavilions and can keep groups to 10 or less as required for regattas. We will have a copy of the current policies for CSA regarding COVID19 posted in multiple areas around the club and on our regatta website, and we ask everyone to remember if you touch surfaces that have been touched by other hands, to remember to wash your hands with soap and water or sanitizer after that touch. Also, as of this posting the guidelines require masks if you are closer than 6ft and/or indoors at the Observation building or bath house.

Fees: If registered prior to Sept 10th \$40.00 per boat on Sept. 11th and after \$50.00 per boat, Crew will be \$5.00 each and Juniors 18 and under \$20.00. Entry fee includes **Free primitive camping on CSA grounds** in either a tent or single vehicle footprint (car, van, or pickup truck parked in car parking lot). No hookups are available and no camping trailers (including pop ups) will be allowed on CSA grounds. Hookups and pop up trailer camping are available in the state park just outside CSA on first come first serve basis, and at your own discretion.
